### IMPORTANT INFORMATION

- This form is Schedule A of your Agreement with us. The full Agreement can be found at [www.pulseenergy.co.nz/agreement](http://www.pulseenergy.co.nz/agreement)
- We flow through the Network Services charges
- The above pricing is based on our assumption of your meter configuration, data provision and standard Network Services charges including but not limited to the assumption that the meter on your property can be remotely read. If for any reason your actual configuration, data provision or Network Services charges are different, our pricing for your meter configuration, data provision and Network Services charges will apply. We will decide the eligibility for this offer.
- The above Metering rates cover up to two standard meters or a smart meter with up to two registers. If your meter configuration is not covered by this schedule, an additional Metering rate of 17 cents per day for Standard Users or 0.776 cents per kWh for Low Users will apply
- In addition to any other fees, \$1 per day + GST will be charged for the Administration of Arrears if you do not pay your bill by the due date
- Daily Service Rates are charged once per Installation Control Point (ICP)
- Invoices will be available online only, an additional charge of \$5 per invoice will apply if paper invoices are required
- Your account must be setup for Direct Debit. An additional charge of \$2 per payment will apply for invoice payment methods other than Direct Debit. Additional surcharges will also apply for Credit Card payments
- You can terminate your Agreement with us free of charge provided you give us 30 days notice. If you do not provide 30 days notice an Early Termination Fee of \$150 will apply
